Stewardship as a Way of Life: *"I am a minister in accordance with God's stewardship given to me to bring to completion for you the word of God" (Colossians 1:25).* We are all called to evangelize — to convert individuals and society by the divine power of the Gospel. Our faith is more attractive to others by our actions than by our words alone. We may not be called to evangelize like St. Paul, but we should look for opportunities to share our faith through our actions and words, especially with those closest to us, like our family, friends and neighbors. Pray for the courage to joyfully express your faith the next time the opportunity arises.
